

SOMERSET LAKES

SOMERSET WEST

DESCRIPTION

Somerset Lakes is a 42 hectare residential lifestyle estate. Ideally located between the sandy white beaches of False Bay and the dramatic mountains and valleys of the Helderberg in Somerset West.

The first two phases of the development, featuring apartments and townhouses, are sold out. The next phase which includes the flagship 3-4 bedroom Lakeside Luxury homes, are launched in March 2016 and set above the 6 hectare private lake.

The lake is ideal for fishing, sailing and canoeing. And the estate also boasts a 4km jog and cycle track and clubhouse with pristine swimming pool and outdoor gym. The nursery on the property supplies the estate of all its waterwise plants and has been awarded a Golden medal in 2014 by The South African Landscape Institute
